A GUIDE TO MITZVAH PROJECTS

tzedek tzedek tirdof l'maan tichyeh

Second edition 11/30/2007

A MESSAGE FROM THE RABBI

The Torah teaches "justice, justice shall you pursue".

According to Rabbinic tradition, the reason the word justice is repeated is to underscore our belief that justice is absolute. If justice is applicable to my people then it must be applicable to all people. Therefore, upon the entry of a young person into the adult Jewish community a commitment to give back to that community is paramount. The Prophets taught us that one of the most significant means by which we actuate our faith in God is by doing deeds of justice. Therefore, as an adult within the community in which we live, we resolve to give back to that community by performing deeds of loving kindness.

This is the reason why Congregation Shalom asks each Bar and Bat Mitzvah student to perform a MITZVAH PROJECT – a project which allows that young person to feel as if he or she has enhanced the world by the giving nature of our tradition. The reward in doing a mitzvah, whether it be for a Bar/Bat Mitzvah or any other act of tzedakah, is the fulfillment which comes in the doing of the act. We do not receive honor, merit or rewards for doing a righteous act, but rather we affirm that God commands us to join in the process of re-creation.

Included in this booklet are numerous opportunities to dedicate yourself to the privilege of being able to give goodness to others. A person becomes an adult in the Jewish community by reading Torah, by dedicating oneself to the perpetuation of Judaism and to the ongoing task of helping the world become a better place in which to be.

Congratulations on your having the privilege of doing such a mitzvah project. May it be a source of inspiration which will enable you, as a Bar and Bat Mitzvah to continue to give back to the community in which we live, our country or even globally, throughout your life. In that manner, your life will be an additional blessing to all humanity.

Shalom,

Rabbi Ronald M. Shapiro

MITZVAH MAKER

Dear Parents and B'nai Mitzvah,

The Social Action Committee of Congregation Shalom shares in the excitement of your becoming a Bar or Bat Mitzvah, in your commitment to study, and your desire to do mitzvot. This guide will help you with ideas as well as provide you with a list of organizations both here and in Israel with whom you may want to develop a relationship. When you do select a mitzvah project, the Social Action Committee of Congregation Shalom will make a donation to the charity of your choice once you complete the attached planning guide. On the day you become a B'nai Mitzvah, we will also present you with a *Mitzvah Maker* certificate. Your name will go on a special wall at the synagogue that will demonstrate your leadership to younger children and all other members of our congregation.

We are also here to help. Please contact David Wolfson if you would like planning assistance.

SO YOU WANT TO DO A MITZVAH PROJECT?!?

There are two very important decisions you need to make:
What organization do you want to help?
and
How will you help?

To select a project:

The project you select should be meaningful to you and your family. Here are a few ideas to consider:

- 1) *Think about what interests you.*
- 2) *Support Israel.*
- 3) *Do something that meets peoples' basic needs for survival (food, clothing and shelter)*
- 4) *Help improve healthcare for underserved people.*
- 5) *Work with children and youth organizations.*

The **Ziv Tzedakah Fund*** is a wonderful resource. The following link helps answer a few important questions: http://www.ziv.org/bar_bat_mitzvah.html.

It can also provide great ideas. That link asks you to think about a few things:

1. *What am I good at?*
2. *What do I like to do?*
3. *What bothers me so much about what is wrong in the world that it makes me angry or sad?*
4. *Whom do I know?*
5. *What can I do right now?*

****Ziv Tzedakah Fund plans to disband later in 2008 so you may have not have continued access to the site.***

To select an organization:

- Review the organizations included in this handbook.
- Think about which types of organizations help people you wish to help.
- Do some research to find out about the organization. You may be able to find information about the organization on- line. Call the agency. Explain that you wish to help in some way and ask about their needs.
- Make sure the organization takes good care of donated dollars. Look up the organization on Charity Navigator or guidestar.org. Make sure the organization you select treats the recipients of their work with dignity (Kavod).

- Visit the organization if possible. Decide what you can do.
- ENJOY THE HELPING!

EXPERIENCE OF

Submit Your Project

Now that you have decided on your project and what organization you will help, complete the *My Mitzvah Project* sheet which can be found at the back of this handbook. The form should be sent in at least three months prior to your Bar or Bat Mitzvah. The form can be mailed or emailed to the individual listed below.

Your *Mitzvah Project* sheet will be reviewed and someone will contact you within a couple of weeks.

Finally when you complete your *Mitzvah Project*, fill out the second sheet and return it to David Wolfson. The form should be sent in at least two weeks prior to your Bar/Bat Mitzvah.

If you need additional help just contact us to discuss further!

Agency Description

These are descriptions of agencies and a few thoughts on their needs (which change often). There are over 1.5 million non-profit organizations in the US, 3,500 in the Milwaukee area and over 2,000 in Israel. This list represents organizations that our Congregation, our rabbinical staff and Social Action Committee have developed partnerships with over the years. If you develop a new relationship with an organization, we'll add it to the list! If you want your organization to receive the donation in your honor, it must be a 501C (3) charitable organization.
